My Mother The Cheerleader provides readers the opportunity to try to understand the views people held in about race and civil rights and does so very effectively. However, I had to admire the Author's ability to take something and write from such a different perspective.

Set in the Ninth Ward of New Orleans, the story follows Louise and her mother, Louise's mom also gets beat up but we don't see it. She was tall, with long shapely legs, and she always carried herself with an unusually feminine air, back and neck perfectly poised like a proper princess, hips swaying like a burlesque queen. And we come to see what happens to those in the segregated South, who believe My Mother the Cheerleader men are created equal, and who stand up for that belief.

Racism--Juvenile fiction. This book takes you on a journey of what it would be like to live in the ninth-ward in New Orleans in the 's. It shows readers My Mother the Cheerleader it would be like to be a white child who gets pulled out of school and deprived an education for a time because her community is fighting desegregation.
