Sep 08, Michelle Dare rated it it was amazing. Except Tasha wasn't a speech therapist, no, but she went above and beyond to help Cade regain what he lost. They both cried like true friends during the conclusion of the movie and it was touching.

They don't like each other but underneath there's this sexual tension. Viewer's discretion. She was studying Physical Therapy and couldn't leave him by. Can be read as a standalone although there is a backstory in the first book but it didn't take away from the book in any way.

You'd think he was a dotting loving father, but let me tell, he wasn't at all, not when they start to hang out, Tasha notices what happens when Cade is not thinking about talking at all
