France and Cruel Crimes and Painful Punishment. Accelerated Reader AR book level:

The way they got food the game they played their beliefs were really interesting. Return to Book Page. A very educational yet funny book from the series that made Horrible Histories, I would recommend to all ages that like learning without knowing they're learning. This book is by no means a book which lays out the Stone Age chronologically and was a nice before bed-read. It might have been meant to be a lighthearted remark, but it struck me as cold and evil.
