Technique, though important, is useless without it; and the actual execution of the art work may be startlingly spontaneous, once the artist has comprehended the essence of his subject. Lara rated it really liked it Feb 18, Each sound has its own rhythmic point in space time, and is not thought of as part of a whole. Anthony rated it it was amazing May 30, Stravinsky holds that music cannot express anything but music: The meaning of what we do is determined by each one who sees and hears it. Today we share Buddha-nature, differ in their individual essences or spirits. The style of painting favored by Zen artists makes use of a horsehair brush, black ink, and either paper or silk.
