We now need to determine whether we can make use of the New Testament as a reliable historical record. We need to apply the same test, whether the literature under investigation is secular or religious.

Does the New Testament contain an accurate account of the life of Jesus Christ? Lessons about God's existence, dinosaurs, the Bible's inspiration, and creation versus evolution. What evidence is there to recognize the proof for God as its divine source? We notice you are using a browser version that we do not support. Comments and suggestions are welcome.
