Is your bedtime too early? I would have disturbed his nap had I been in there any sooner. So baby hits the end of a sleep cycle around 3:

Iamdesperateforsomehelp!Forawhileitwas45minintoanap,then1hr. This tip is to encourage you not to run in at the slightest whimper because crying between sleep cycles is normal and expected. As in, maybe once a week. Thank you for your help this means the world to me x.
