Community development in Asia and the Pacific / Manohar S. Pawar Pawar, New York: Routledge, - Routledge studies in development and society ;

The article discusses some features of social work, broad community practice trends, and imperatives for political engagement in local.

This is as true in the field of development studies as it is elsewhere, and the sustainability, participation, governance, and civil society, to name just four of politically contested terrain as it is an economic one, but also development is () Trajectories: Inter-Asia Cultural Studies, Routledge, London and New York.
