Either the father inexplicably came home from the war a year early or the author has confused the two plane crashes: It's a pity, considering how attentive she is to period detail, that the author slips up in just this area. Goodreads helps you keep track of books you want to read.

Irrepressible Gwenni--adreamerfullofunanswerablequestionsandunbound
Gwen sympathises with the life she senses in the beady eyes of a neighbour's fox fur stole. It was eminently readable, did paint a good picture of life in conservative Wales perhaps owing a passing debt to How Green Was My Valley and reading on was never a chore.

I loved the precociousness of all of the children in the story--the scenes in which
written of a time and place I was not personally familiar with but came to delight in. All of these characters had secrets and a lot of them were broken and Ms Strachan plants you firmly in the midst of it.
