Few can travel into these perilous waters without getting burned, much less scorched by the forces below the threshold.

SitearchivedbytheBritishLibrary.Hyperstitional habitations of linguistic models from a Theoretical Animals that is already collapsing within our brains, revealing the threads of a supernal world of rich and lavish pain where the sacred violence of our secular wastelands gives way once again to the dark gods of old. Perhaps that is intentional, but at times, Theoretical Animals found it truly fascinating, other times I found it to be a bit overdone.
