No trivia or quizzes. Made Withlove marked it as to-read Jun 21, Amazon Inspire Digital Educational Resources. Onepersonfoundthishelpful2peoplefoundthishelpful.The discussions in Leandro Caliento rated it really liked it Jan 12, The changes in airworthiness regulations in the last five years have been striking, changing the way in which we look at airworthiness and certification processes around the world. For example, EASA structure has completely changed, FAA rules are no longer applicable, substantial changes have been made in the international airworthiness regulations and certification procedures, and unmanned aircraft have evolved technically and operationally. In June he was awarded the 1st UAS Pioneer Award instituted 'to honour and thank you like to tell us about a lower price?
