All listed chronologically, including major church/civic and government, social, recurring, and reunion events. Giles continued to write, both for intellectual stimulation and financial remuneration, developing a work process that enabled her to complete more than twenty published books during the most productive years of her nearly three-decade-long career. It takes a while before he comes back and even when he does, he settles down in a... Some of her works include the Piney Woods trilogy – novels that emphasize the importance of going back to your roots; The Kentucky trilogy series – an invitation to experience the adventure and dangers of the American frontier; and The Believers series – novels about a family that manages to convert their rural community into following their religious beliefs. When the last word of the biography is read, the reader feels very close to Janice Holt Giles. Dianne Watkins Stuart, for years the acknowledged expert on Giles' work, has written the Story of the American Revolution
