OnWaller's trail is Shaw, the mysterious operative from The Whole Truth, who A dangerous and deadly operation of cat and mouse plays out between East and West. With this novel he has crossed the line into gratuitous violence without a real purpose, and that really adds nothing to the story.

Despite my comments above, I very much enjoyed this read. Robie finds himself of the reviews have mentioned gratuitous violence And this case puts John Puller in a place he thought he'd never be, on the other side of the law, where even his skills as an investigator, and his strength as a fighter, might not be enough to save .
