So far I have realized that short horror stories create the greatest impact on me and even after a long time, when someone asks me to tell a story, I end up remembering a few of those stories which haunted me in the middle of the night. The man and hope-fear concentrated in the VR helmet are the central elements. And the average rating came out to 2.

That's what some of his stories were like. A ghost haunted the hotel room. During this time they employed three female housemaids and one male house driver. In fact, King's short stories are some of the scariest things you can read.

Anyway I am sad this ended up being the last story in the collection. Around this time he lost his job and his phone. My mom was on the wall to the far right, there was a blank wall in the middle, and my sister was on the far left.
