Similarly, the modern economic argument for capitalism and most modern forms of economics, was often stated in the form of "public virtue from private vices. In fact, he was apparently influencing both Catholic and Protestant kings.

Even if Machiavelli was not himself evil, Leo Strauss declared himself in line. As a treatise, its primary intellectual contribution to the history of political thought is the fundamental break between political realism and political idealism due to it being a manual on acquiring and keeping political power. In the crime drama *A Bronx Tale* local mob boss Sonny tells his young protegee Calogero that while he was doing a year in jail, he passed the time and stayed out of trouble by reading Machiavelli, whom he describes as "a famous writer from years ago"—and then tells him how Machiavelli's philosophy, including his famous advice about how it is preferable for a leader to be feared rather than loved if he cannot be both—have made him a successful mob boss. The above biography is copyrighted.

This philosophy tended to be republican, more in the original spirit of Machiavelli and Hume" in Rahe
