It is best to consult a local legal counsel to review how the work relationship can be interpreted by local laws, and what kinds of risks exist. The first step in the purchasing process is to determine the need. One of the conditions for a requirement to file Form and S is that a foreign person should have US source income.

Is it generally perceived as doing better or worse than them? What is the cost of making a misclassification if the worker lives in the US? Upon receipt, the university unit should immediately inspect the shipment to be sure that it is correct, complete and not damaged.
