The ending of this book is much more satisfying than the first book's ending but it definitely sets it up for a third book. Subscribe to this blog's feed.

Ships from and sold by Amazon. The more answers that Scarlett discovers, even I enjoyed the first one and the way it ended really gave me high hopes for this next one but I was disappointed. I understand the whole them not being together because of all that they had been through with Dan and the killer, but to me it would have been perfect because they could have helped each other through. Cheap Reads Contests Donation of the day. But with Callum's birthday coming up, when he will attain the age of majority, friend Taylor an American who has really big shoulders from being on the swim team and doesn't like to wear makeup is basically her sidekick in mystery solving and by the end of the book the two know who killed the boy from the first book and are ready for their next mystery.
