Yet Chesterton's writings speak compellingly of the problem of tyranny once nations are discounted. Chesterton, Graham Greene, Christopher Dawson, and David Jones This is an intriguing and interesting study of one of the more intriguing men of letters of the early twentieth century.

BloggatomChristianity, Patriotism, and Nationhood. The book at the centre of this research is relevant to a growing interest in Christianity has become known as 'The English Question'. Description 1 The project emphasises the close interaction between Chesterton's political and religious thought, showing how his Christian and Liberal convictions crystallized simultaneously in response to the Jameson Raid and the Boer War.

This research focuses on a prominent literary figure of the early part of the twentieth century and the Study of Politics Julia Stapleton. These convictions became focused in the notion of 'boundaries' and 'edges', underpinning his rejection of pantheism, imperialism, and cosmopolitanism.
