And finally there is the lost masterpiece. If you find the subject matter interesting at all you will probably enjoy this book. Sold by Entertainment-World and shipped from Amazon fulfillment. Pablo Casals found the Bach suites as a young cellist and brought the deeply moving music to the world. Though there are many mysteries about the Suites still left at the end of the book, the thrust is still about the transforming power of music.

The third, essentially an account of how he researched the book, is an attempt no stretch of the imagination could such performances be tolerated except by people of no discrimination.
