In conclusion, the author believes that the level of political encouragement and the apparent lack of resistance are the probable explanations for the fact that Dacia was more rapidly integrated in comparison to other provinces. By Simon

Esmonde-Cleary Rome in the Pyrenees is a unique treatment in English of the Colonization and Romanization (Routledge Monographs in Classical Studies) and historical evidence for an important Roman town in Gaul, Lugdunum in the French Pyrenees, and for its surrounding people the Convenae. During the heady, democratic days of the fifth and fourth centuries, the poorer members of Athenian society, the lower two classes of zeugitai and thetes, enjoyed an unprecedented dominance in both domestic and foreign politics.
