These behaviors might include noises or physical contact. And like Geeta, even as a veteran teacher, I was always needing to re-examine my management, whether it was based on my group of kids, changes in my practice, or just whatever it was that was working or not in any given situation. This is really a great article! I remember struggling, and my teacher asked another second grade student to help me.

The student should only be placed in time-out for approved behaviors on the IE contrast, Jeremy's peer had been on task for 78 of the 90 intervals and had been off task for 12 of the intervals.
