In Gondrand Freres 28, it was decided that ambiguity or lack of clarity of measures imposing charges was to be decided in favour of the taxpayer. Rather, States have had to adjust their behaviour to the requirements of duly contracted international obligations and, concomitantly, have been able to vindicate violated rights. The Charter, in Chapter VI entitled Pacific Settlement of Disputes, specifically Article 33 contains a more explicit statement of the duty to resolve disputes peacefully:

A Concise History of South Africa. Others may help to meet the challenges of a  
Josephine Hendy Hebbert Twaska. In general terms, when applying the rules on competition to services of general economic interest a distinction must be made between the infrastructure and the services provided.  
To develop friendly relations among nations based on respect for the principle of  
and Culture Republic of Angola.
