Together, then, our individual and population-level results point to the primacy of local cultural diffusion processes between neighbouring folktale variants. Evidence reviewed from the perspective of the Origin of Species. Angie Lisle added it Apr 22,

A Tale of Turkey A lovely slave girl matches with a handsome but vengeful prince. Published January 1st by University Press of Kentucky. Henrich J Gil-White F.

They just had too many enemies; men, dogs, beasts and birds of prey all hunted them. Who bought this item also bought. When comparing Folktales Of Europe results with estimates of human genetic diversity, it is important to note that, while each sampled genotype can be tied to an individual person, here we are not tracking characteristics behavioural or genetic of individual people—that is, we do not have information about which individuals in a population know which folktale variant s.
