Elizabeth of Hungary the ancestress of the House of Hesse and her paternal grandmother, Princess Elisabeth of Prussia, and "Luise" and "Alix" after her parents. I was really disappointed with this book.

Of course the whole story though has Ella as the focal point - and as such she was. However, in the World War 2 comes and their father, Tsar, starts to spend more time planning attack against German soldiers then with his family. It was wonderful to imagine the world in which young Anastasia lived - the palaces, jewels, and even the food; all the luxuries that shielded her and her siblings from the "real world".

Elisabeth was somewhat instrumental in the marriage of her nephew-by-marriage. Her parents were pretty much inept politicians, Nicholas wasn't a particularly strong person or Tsar and Alexandra was completely conned by Rasputin I'm convinced that he was a fraud who took advantage of her situation.
