But we also need a theory of hydrodynamics, which tells us how water works. The endeavours of man to conform the revealed Word of God to human ideologies distort the message, which consequently loses its saving power.

There are many ways in which spiritual gifts can be shared and communicated. By faith in Christ, man is transferred from a relationship with God where he is under the anger of God, to a relationship with God where he is under the grace of God Eph. Fraternal life in common has special value in areas of the mission ad gentes because it shows the world, especially the non-Christian world, the "newness" of Christianity, that is, the charity which is capable of overcoming divisions created by race, colour, tribe. The Necessity of a Biblical Basis b. But secular man is also called to discipleship. All of this brings with it the culture of a western stamp can lead to individualism which makes fraternal life in common difficult, other cultures can lead to communitarianism which makes giving proper recognition to the human person difficult.
