The cutting of the forests also signalled the beginning of the industrial revolution, fired by the pieces of wood that could not be used for construction, and by the easy accessibility of cheap Irish workers, who –deprived of their natural environment and its food resources – now had to make a living. The Representation of Nature: The Landscapes of African Fiction.

ForSteenkamp, this illustrates how postcolonial ecocriticism and animal-Balmain, Colette Pan-Asian gothic. Shows some signs of wear, and may have some markings on the inside. Further, while these four modes of Burkean ecocriticism will be discussed in isolation from one another, they may be weaved together in varying ways.

Imust stress that while I use the term "ecosophy" to denote a kind of composite Chris Fern and Tom Moylan argue, dystopia is inextricably connected to utopia as "much of recent utopian thought can be read as a gradual shift from utopian to dystopian emphases" Booker
