GeorgeValentine, friend and partner of Peter Shaw's late father, Jack Shaw

If a writer doesn't care enough to make anything happen in the first 50 pages to hook me, then I don't care enough to finish their book. I sure hope this is just the beginning of a long set. With Nora dead and her father in prison, their daughter, Lizzie, becomes the owner of the Flask.

Nobody is sure but the case takes a further twist when the blast uncovers the body. Shaw is not quite sure if his father planted the evidence or not.
