About Contact News Giving to the Press. Then maybe this text is the place you should begin. SigninviayourInstitutionSignin. The result is that, despite the plethora of policy initiatives and increased funding targeting community-based interventions, there is little evidence in the UK that any sustainable difference is being made to the lives of people in poverty. You do not currently have access to this article.

Inthisnewedition,MargaretLedwithargueswithverveandpassionforthecc by concentrating on the practical projects, rather than the education for which they are the vehicles, we allow ourselves to operate on principles of amelioration rather than transformation. We need to reclaim our radical agenda from attempts to hijack and dilute it into a rhetoric of self help – neatly placing the blame for social divisions at the feet of the victims.
