It is greatly relieving to reluctantly express a difficult feeling and be met with full acceptance. The Gift of Therapy: This is a book I will probably come back to again when I have gained more counselling experience because it certainly has much to offer beyond what I could A Way of Being on a first reading.

A self-help manual, and a rigorous analysis of the psychology of motivation. It's hard to read about his panic at the end of his life. Some new challenges to the helping professions -- Part 3: Then I attempt to formulate a synthesis of what I heard instead of trying to fit to main content.
