He questioned me about my values and how I would apply those to whatever I hope to do. I resolve to revel in the good fortune of others and also to be supportive when skies are gray.

With gentle humor and keen insights, she shows us how we can change the world in big ways. I can't wait for her next book! Her early, thrilling life working for the State Department is a far cry from her life as a mother, and while that sounds like a cliché, she does a great job of talking about the transformation I actually know this writer, so I could hear her voice in every line, which added to my enjoyment, because Alison is a fun and passionate personality.
